Dear Steve:

Please find enclosed Revised Appendix 4 and 5 that were appended to Borden Chemical's June 9, 1999, correspondence to U.S. EPA regarding settlement at the Skinner Landfill. As we discussed, I am returning Revised Appendix 4 and 5 (four pages total - each appendix is two pages in length), which were sent to U.S. EPA by mistake, because the Appendices include information covered by the confidentially agreement between the parties participating in the Alternative Dispute Resolution process for the Skinner Site. Please be assured that no one at U.S. EPA read or copied these documents.

Should need further assistance please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Craig Melodia", written over a horizontal line.
